7/4 kvantit., xx størrelst., 60 Granat (5 mm)

Geological profile drawing on a grid. The vertical axis on the right shows elevation from -20 to 220 meters. The horizontal axis at the top shows distance markers for 400V, 500V, and 600V. The profile shows a series of rock units and features labeled with codes like D16, D19, D8, D13, D6, D7, D2, D20, 170/9, 170/13, 150, 155, 160, 170/n, 170/n, 170/n, KOMR T180, and ØRNEREDE T. The profile starts at approximately 200m elevation on the right and descends to about 150m on the left.
