

Grimlie Jure Grube

(upper mine)

1 2 3 4 5 Farned

1. Driftene for 1867, faasat omstrent lig

2. Gruben er ikke drevet i 1868, da den i Vinteren 1867 fyldtes med Vand. Sammenlægges tanket udført med Stollen, hvoraf 4-5 Farned gjenstår.

(The mine has not been worked after being filled with water in 1867. - An adit of which only 4-5 fathoms are left to cut, will drain.)
